

**Vacancy:** Quantity Surveyor  
**Location:** Liverpool City Centre  
**Salary:** Competitive

An exciting opportunity has arisen at Hassett Homes for a qualified Quantity Surveyor to join our expanding team.

Hassett Homes is a young, dynamic house builder who is taking a fresh approach to building homes for the modern way of life whilst ensuring minimal impact to the environment and wildlife.

If you would like to work with a house builder who is changing the way homes are built for now and the future, then this is the role you have been looking for.

The candidate must have previous experience of working on high-quality new build housing developments. The role of Quantity Surveyor will take Hassett's developments from concept to completion.

**Key Responsibilities:**

- Produce, maintain, and update land viabilities and appraisals
- Prepare bills of quantities
- Procure sub-contract packages and materials
- Manage sub-contractors valuations and applications for payment
- Produce, maintain, and update CVR's
- Manage final accounts

**The Reward:**

- Competitive salary
- Car allowance
- Company benefits package

If you are interested in this fantastic opportunity, please do not hesitate to apply by sending an updated CV to [hello@hassetthomes.com](mailto:hello@hassetthomes.com)
